

2008 Stilwell Strawberry Festival Arts and Crafts Vendor Application

It is once again time to prepare for the Stilwell Strawberry Festival. It is always on the second Saturday in May (this year it is the 10th). Our booth space are 10' x 10'. Because the city council has enacted an ordinance which calls for all vendors to pay for a permit, we have had to raise our price. The charge is \$75. Set up time is before 8:00 AM. All vehicles must be off the street before 8:00 AM. The street will be blocked off after 6:00 PM on Friday. You may set up as much of your display on Friday night as you want. There is no extra security on Friday evening so we advise you do not put out your full display. We have also added the space which is on the NW corner of First and Division Streets.

You may not drive any stakes into the street. We do not provide tables or chairs, but electricity will be available. We will do our best to get each vendor the space requested, but it is not always possible. Please include 1st, 2nd and 3rd choices on the application.

The show is a one day show which is generally over by 5:00 PM. No refunds will be made after April 25th unless there is a special emergency. We cannot guarantee that the weather will be fine, but in the last 20 years there has not been a complete rain out. Even in drizzling rain, people show up for Strawberry Festival. Each vendor is responsible for state and local taxes, but the city vendor's permit is not required in the Kiwanis Arts and Crafts area.

Arts and Crafts are hand crafted items or art works(non-manufactured) offered for display or sale. By returning the application you agree to remove any item from your display if A.D.C.O. members find it objectionable.

Spaces are not reserved until check clears the bank, or cashier's check or money order is received. As always, spaces are assigned on first pay basis. Please return the application and your check or money order to:

A.D.C.O. Kiwanis
